The Business Academy at Southfield A&T Presents

IT Opportunities!!

CISCO Networking Academy is designed to prepare students for entry-level jobs in the IT industry or fulfill pre-requisites in IT at college level.

LAUNCHING THIS FALL 2017

For more details, please contact Cheryl Dunn at 248.746.8853 or email cheryl.dunn@southfieldk12.org

Why? Employment of Computer and Information Technology occupations is projected to grow 12 percent from 2014 to 2024, faster than the average for all occupations (www.bls.gov).

This is an opportunity for hands-on practical experience and career skill development with college credits offered at the following colleges/universities:

- Baker College
- Henry Ford College
- Davenport University

Also, tenth graders will be eligible to earn three certifications by senior year. Eleventh graders will be eligible to earn two certifications by graduation.

- CompTia – A+ Certification
- Course: IT Essentials for PC Hardware
- CCENT
- CCNA
