MEET MS. WOLF

Hello, my name is Ms. Julie Wolf.
From the time I was a little girl I wanted to be an art teacher. I have been the proud art teacher here at Vandenberg since 2011. I couldn't be happier.

I love teaching my children at Vandenberg World Cultures Academy. I am always working on perfecting my cross-curricular education for the art room.

I link each art lesson to subjects taught in the student's core curriculum.

I taught art in Detroit for ten years before staying home to raise my 3 children. I studied art education at Wayne State University.

I have a Masters in special education, learning disabilities and a bachelor of science in education with a major in art and minor in English.
