Got School Breakfast?

Does your child miss breakfast–no time or simply isn't hungry first thing in the morning?

Here's a solution:
School Breakfast!

School breakfast provides 1/4 of your child's daily nutrition needs and research shows breakfast provides fuel for school and boosts brain power. Breakfast at school is affordable, too. It's available for all students and if you qualify for free or reduced price lunch, you also qualify for the free or reduced price breakfast.

Encourage your child to join us every day for school breakfast.
