## **School Annual Education Report (AER) Cover Letter**

February 6, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for University Middle School Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact **Mr. O. Bogins** for assistance.

The AER is available for you to review electronically by visiting the following website [UHSAER](#) or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given. University High School Academy was not identified as any of the aforementioned labels.

University High School Academy is aligned with the district and currently identifies the blueprint and the MTSS Framework as the key initiatives being undertaken in the school to accelerate student achievement. The emphasis is being placed on systems to ensure student success as well as intense student support. State law requires that we also report additional information.

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL—**
