

# SUBSTITUTE EMPLOYEE WEB TIME INSTRUCTIONS

These instructions will show you how to record your time into the Frontline Absence Management (formerly known as Aesop) system for payroll purposes. The following are critical elements of the process:

## Mission Critical Elements of Entering Time:

1. You must enter your time into Frontline for the week worked by Sunday at 11:59 pm (midnight). For example, if today is Friday, you have 2 more days (Saturday and Sunday until midnight) to record your time.
2. Be sure to verify the assignment detail for each job that you had to ensure that it:
  - a. Reflects the correct date
  - b. Reflects the correct School
  - c. Reflects the correct School Employee (teacher) you replaced

If any of the above are incorrect, contact your branch or the Kelly Scheduling Team and have the assignment corrected.

3. Remember to **Save** your time sheets as you record the information

✓ Save Time Sheet

4. Make sure you have an email address recorded in the Preferences area of Frontline so that you are able to receive notifications of time approval, rejections, etc.
5. Best practice: enter your time sheet into the Frontline WebTime area on a daily basis. For additional KES Frontline Training, enter the following link in your browser to view the video:  
<https://youtu.be/NQLpqHOYLcE>.

This training video was created for KES substitute employees serviced by our Kelly Absence & Scheduling Team (KAST). You'll learn about KES systems and processes, understand how absences are managed, and you'll learn important tasks including how to accept an absence in the Frontline system and how to enter your payroll time via Webtime. This video is a 'must see' for every Kelly Substitute employee.

**Time Sheet Comments:** Davis Elem 0056

Comments are only available from the time the time sheet is saved up until it is approved.

5. For each job, complete the following:

- a. Verify that the **Date, Location and Employee** are correct. (i.e., you worked the job listed for that school employee)

**Note:** If the assignment record in Frontline does not list the correct teacher you replaced or the correct start and end time, **STOP** - do not enter time for that assignment. Contact your local office or the scheduling team and a Kelly representative will enter the correct teacher or timeframe of your assignment. Once the correction is made you can then enter time for that assignment.

- b. Enter your **Actual Start** and **Actual End** times of the assignment you worked (hint: the scheduled start and end times are shown in *italics*)
- c. Enter any **Break Time** you took. If you did not take a break, leave the Break Times fields blank. For example, if you took a lunch break from 11:45 until 12:15 you would enter those times in the Break Times field).

The system will automatically calculate your **Total Hours** and/or assign the proper **Units** based on your input.
