VISION/PHILOSOPHY

The University High School Academy (UHSA) community works in partnership to nurture the potential of each student.

The mission of UHSA is to cultivate a community of innovative learners through a rigorous college preparatory curriculum for a competitive and global society.

University High School Academy is a model college preparatory learning community shaping tomorrow's innovators; fostering a model community of life-long learners and leaders to transform the world.

SOUTHFIELD PUBLIC SCHOOLS

COMMUNITY

The Southfield-Public School District lies northwest of Detroit in the suburban communities of Southfield and Lathrup Village, Michigan. Within the community, there are various and prestigious corporate businesses, industrial, and financial enterprises including many of the nation's "top 500" corporations.

The population of 73,000 residents is composed of a wide ethnic, racial and religious mixture. Southfield and Lathrup Village residents have chosen their community not so much as a place to live, but as a way of life. Southfield Public Schools

enjoy a national reputation for excellence in education, leadership, and innovative practices.

UNIVERSITY HIGH SCHOOL ACADEMY

University High School Academy (UHSA) opened its doors to ninth grade students on September 2, 2008 with the graduating class of 2012. In order to attend the University High School Academy, students take the High School Placement Test (HSPT). Additionally, students complete an application packet which includes middle school grades, a personal statement and a letter of interest from the parent(s). Students must maintain a 3.0 GPA or adequate progress towards a 3.0 GPA to remain at the school. The student population is comprised of 96% African American, 2% Asian/Pacific Islander, 1% Caucasian, and 1% Hispanic.

COVID-19 UPDATE

The Southfield community was deeply impacted by COVID-19. It was one of the worst hit communities in Oakland County.

University High School Academy students were able to choose Pass/Fail or letter grades for semester 2 of the 2019-20 school year.

During the 2020-2021 school year, we implemented a remote learning model. Students had the option to return to school in April 2021. All students received letter grades.

All students returned to in-person learning in the 2021-2022 school year.
